ABOUT ME

I am self-motivated architect who wants to work in a professional and competent setting that enables me to cope with emerging designs and technologies to widen the spectrum of my knowledge. I have more than **15 years of industrial and academic experience** and worked with Govt. as well as Private Clients in a dynamic work atmosphere. My core interests are sketching, travelling and exploring historic architecture. I am empanelled as Valuation expert. I have attended numerous workshops of leading architects and have travelled to Bhutan and was part of documentation book titled **Anubhuti** by SMMCOA, Nagpur. I am a member of **INTACH** Amravati chapter.
